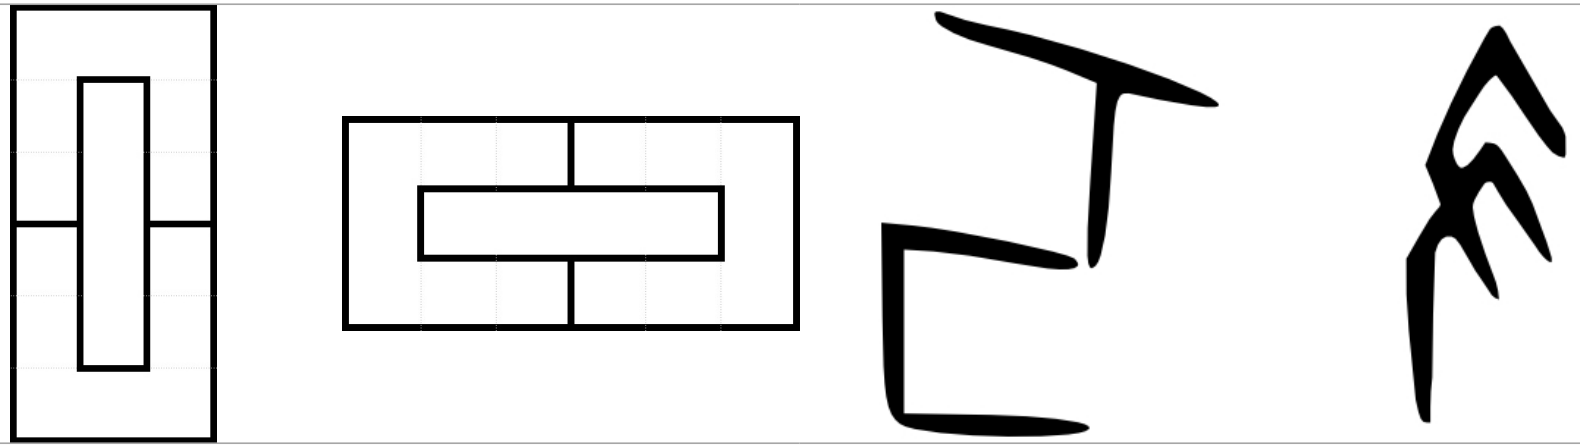
Degree 26 - Sign 27 Feasting on Wisdom



EXPANDING: SOUND, MOVING NEAR AND FAR TO NOURISH MYSELF AND THE WORLD

When I am sound moving, mountain stilling;

Then I am reining in and letting out in a way that aligns my personal speech with what is fitting for the world.

Inside, I am tying my thoughts to the knowledge of heaven's leading impulse (connecting individual with the world); and

Outside, I am selecting and choosing from the inclinations of earth's heavenly yield (being cautious, suitable, and without injuring).
